

New Registration Process for Conventions

Effective from Sing2019

Following feedback from our members, and as announced at the AGM in March, BABS have taken steps to develop and implement its own 'In-house' online registration process. Our current service contract with Venue Cymru will end when the box office closes on 9th May 2018.

Operating our own online box office will allow us greater flexibility and management of our registration process. Our main objective is to improve your user experience whilst also simplifying the management and production processes.

To make this work, it has been necessary to introduce some strategic process changes: these will come into effect as part of the implementation of the new system.

There are four key changes that you should note:

- * New Early Bird Plus package is available with prime allocated show seating. This is the only show reserved seating option available.
- * All other show sales will be sold as unallocated seating.
- * All Competitors will be required to register before arrival at the event.
- * New special day rates for partners and non-competing BABS members will be available. These will be on sale when online bookings commence in the Autumn.

Early Bird Sales

You will still be able to purchase advance early bird packages at the current event for the following year's convention, available as Early Bird Plus or Standard Early Bird.

Early Bird Plus: This package is fully inclusive of all event days and all shows with allocated prime seats for shows. All contest seating remains unallocated.

Standard Early Bird Packages: These are our best value full weekend packages offering super saving on 'at event' pricing. Packages available as a Registration only package and a full shows package with unallocated seating.

Competitors Registration: All competitors will be required to pre-register before arrival at the event. Competitor registrations will no longer be able to purchase these at the event.

Special Day rates for members' partners and non-competing BABS members:

As part of the added value of being a BABS member, we are introducing new lower day rates for member's partners and all non-competing BABS members. These special rates apply to pre-event purchase only.
